“ Grandpa Ybarra you will never be forgotten you are an angel now with grandma who we miss to. My Grandpa was a very special man who I had the honor to take care of him and make many memories with him along with my family. Jay and I will never forget the talks we had and all the fun times we had playing cards and listening to your favorite music and making bbq's and you would love to see all my kids enjoying your pool. NO ONE would ever replace you ❤️ My grandpa was the hardest worker I know and dedicated to making his family happy. Grandpa you will be very missed but I know your happy dancing with grandma in heaven and that's what makes me smile 😊 Grandpa may you rest now and know all your family is good. “Dad we love you so very much and I know you knew that.. We did all we can and we will never forget the memories we had as a family. But we know you're in a better place with mom and I know your happy so happy to be with her. No one will take away our memories we had. We will be together Some Day when the lord calls for us and will be together again as a big family. Dad we will be ok here as we know we keep on going along as life is. Dad, it's okay the ones that they think differently. We're not worried cause everyone will feel it in their hearts if they went too far with your kindness. But in our hearts you and mom you all knew our love for you all. Dad the best place that you will be happy with mama with you. Your grandkids Melissa and Jessica and their families will always remember you. Love always your Son Nick and Wife Patsy and Grand-daughters Melissa and Jessica and their families will always know Good Times we had and those are days that stay in our hearts. You're in a better place. We will miss you and will smile and laugh cause our memories stays in our hearts.
