“ *Mr. Zambrano was a great Friend; he was always there for you if you needed some advice. He was never a quitter; his favorite phrase was always, and I quote “my friend we already have the no; let’s go get the yes.” He never wanted to give up and refused to retire; he always had a project in mind and worked hard until he reached his goal. He was a fighter and passionate about his work and family. I am going to miss you my dear friend.*

“ We thought of you in love today, but that is nothing new. We thought about you yesterday and days before that, too. We think of you in silence, we often speak your name. Now all we have is memories and your picture in a frame. Your memory is our keepsake, with which we'll never part. God has you in his keeping, we have you in our hearts.
