“ *Becky, Valerie and David: Rita was such a great friend and mentor to me from day one when I met her. She was Mary Lou's best friend and a great support to me when she passed. Even though your mom was already pretty ill, she called me every day when my husband was in the hospital and prayed with me and gave me even greater strength when he passed. You had a beautiful loving mother and thank you so much for sharing her with me, especially in her last days. I will always remember her and she will always have a very special place in my heart.*

“ *So very sad to hear of Rita's passing. My memory of Rita is that she was always pleasant and glad to see us. I visited her and your dad's beautiful home on Furr and felt that love lived there. Rest In Peace Rita 🙏*
