

Robert Bob P. Pressley

March 2, 1929 - June 24, 2013

Mr. Robert P., Bob, Pressley, passed away June 24, 2013, at the age of 84. The world has lost one of its bright lights. He was a wonderful husband, father, friend and employee. He took great pride in everything he did and it showed. He never did anything halfway--whether it was work or play, he gave it 110 %! When he became ill in 2010, he met the challenge with that same determination and positive attitude. He fought a fierce battle before he left and he never lost his sense of humor! He cheered the nurses up and they all loved coming to his room. It's a blessing that he's no longer suffering, but I sure will miss him. He loved the outdoors and knew every city street, back road and country trail in Texas. I'll miss our drives through the hill country, roaming around the ranch and looking at deer, and eating Mexican food at all his favorite "holes in the wall". I will especially miss asking him questions--no matter what I wanted to know, he always had answers! I'm very grateful to him for giving me the tools I needed to build a good life for myself. He did all the "right" things to make sure his family had a good life. He accomplished a lot over the years and I'm so proud of him. I'm sure he's in a better place, probably younger and stronger and happier than I am now!! I called ahead to make sure my Mom knew he was coming! Bob Pressley was born 3/2/1929, in Asheville, NC. He was preceded in death by his beautiful wife, Patricia Robinson Pressley, and his parents, H.H. and Mary Langdon Pressley and a brother Richard Miller "Dick" Pressley. He is survived by his daughter, Cheri, nephews Rick Pressley, Randy Pressley and his daughter Jessi, and nieces

Sandy Pressley and Debbie Pressley Swangim and her husband, Tommy,
their daughters Heather and Melissa.

Rest in Peace, Daddy. I love you!
