“ Bobby worked for me for 20 years. Yes he loved to fish. He went many times with me to Port Mansfield. Could fish 24 hours straight. Have many great memories of fishing on the floating dock on the east cut. Fish fries at 1:00am. Sleeping on the dock all night. He built many deer stands for me. Every time I'm in a deer stand I think of Bobby. I look at all his good work. I am so sorry for your loss. He will be missed.
