Holiday Inn Maintenance Supervisor, Texas Lottery,

Lee was an active member of Highland Park Lutheran Church. Him and Janie
his wife were youth sponsors for the Jr high and high school groups. They
organized a garden club and participated in church related community events
like the annual sausage supper, Easter breakfast, and Thanksgiving turkey
dinner. They also participated in some non-food activities. They loved to go on
youth retreats in Kerrville and to the coast. Lee joined the congregational

family of Gruene United Methodist Church last year where he attended regularly.

Lee loved to fish in Rockport. Fishing was a family activity for many years as the boys grew up. Every trip was an adventure. Going home with our limits or empty handed...we went home happy.

Lee was an avid golfer and played with his 2 sons every chance he could. He was a pretty good bowler and liked watching football. He Most of that activity stopped when Janie got Cancer and had to have round the clock care. He was steadfast in taking care of her seeing to her every need. They both loved working in the yard and the gardens and playing cards and did it till Janie's final days.

Lee lived with his son Bill and Bill's wife Marilyn. Lee enjoyed the riding mower, card nights, Chicken Express, and Whataburger's.

“ I was sad to hear that Mr. Compton had passed. I worked at the Mother's Day Out preschool program at Highland Park Lutheran Church and he was always kind and pleasant each time I saw him. For several years Lee would visit the children as Santa which made Christmas very special for them. He would make that long drive to the south side of San Antonio just to make the kids happy. Your family will be in my prayers.

“ *Bill and Robert, the only memory I have of my Uncle Lee is his constant peaceful state. I know he talked Aunt Jane out of spanking me lots of time. He was a kind man with a smile on his face 24/7. I am so glad that Les and I were able to say our goodbye to him last Saturday. Please know we are there for you two now and for;*
