“ Bobby is one of my best friends! Bobby is the type of person to help someone In a time of need he really would give someone his shirt off his back if he could. He was so outgoing and always always cracking up jokes trying to make me laugh he would check up on everyone making sure ppl around him was good before himself sometimes... Our last conversation he was worried about me cause I got sick he would tell me let's go drinking lol... No matter if we were drinking he always lit up a room with his jokes.

Bobby always told me family comes first cause I know how much he loves his family❤️

I'm gonna miss you and all the fun times we had and the long conversations we had on the phone cause you were having a hard day at work or just checking up on me cause you were worried.... I love you bestie drink a beer for me 😊

ME

“ Bobby was a cousin and my nephew. He liked to crack jokes and enjoyed spending time with his family.

His two little cousins Marissa and Marcello will miss his tough love and jokes. He was their cool rocker cousin. He would make my kids laugh and sometimes cry lol.

I will forever miss my nephew Bobby. He was more like a little brother than a nephew. I have so many memories of Bobby. From changing his diapers to playing as kids outside and getting into trouble. I remember when he was little he used to like watching WWF and sometimes wrestle of his brothers for fun. On Thanksgivings I enjoyed watching him play football with his brothers in the street. Bobby was also a great artist. He liked to sketch and did tattoos. He loved listening to his rock music, especially the Misfits, wear his leather jacket, and also slick back his hair. He looked big and tough but deep down he had a kind heart.

I'm going to miss my nephew Bobby and the way he joked around with me. I love you Bobby.

“ *My cousin Bobby was loved for his humorous and strong presence he would bring along with him anywhere.*

To me, Bobby was definitely that cool rocker foo cousin you'd be happy to see at the family gatherings and BBQs. Bobby and I shared a lot of interests, we were both big fans of music, particularly punk rock. When I think about my cousin I remember how everything he said always made me laugh.

Bobby and I grew up together, so we had that cousinly love where we would jokingly be tough with each other all the time. A memory I have of Bobby is how he would always joke with me about how he was going to steal my Misfits jacket because he wanted it for himself. Every time he'd see me with it he'd want to take it lol. One of my most recent memories I have of him is how he laughed at me for wearing a David Bowie/Labyrinth shirt to my grandpas birthday party. Every time I've seen him he always had a joke to crack to make me and my brother laugh.

I will never ever forget my cousin Bobby. His family and I will miss his presence terribly. I will always hold the memories I have of him stored in my heart forever. He will eternally be loved and missed.
