“ It always seems like we have all the time in the world, only to find out how fleeting it is. Aware that it's part of life, death is an unavoidable reality, unprepared to say goodbye forever. On April 10th 2023, I find myself saddened and lost for words as I try to come to terms with my uncle's departure. Losing someone dear to us is no doubt a significant loss. In remembrance of a loving man who touched many lives. We all find comfort in knowing that our lives have been enriched by having wonderful moments and his love shared with us. Which will always speak of the great person that he was. May his soul rest in peace up in heaven, always keeping him alive in our memories, in our hearts and in everything we share.
