“ Wow almost one whole year with out you here making us laugh. I was thinking about you like I do everyday and realized how much you took care of me. You taught me how to color. You taught me how to was dishes. You taught me the importance of taking care of my body. When I drive home from work real late it just reminds me so much of you. The night life the lights. I always had a lot of fun with you. You made my skin thick. 💕 a part of me loved your insults 😂 but not so much when you said my son looked like STEWIE 😂. You took care of me like I was your daughter & I never got to tell you I love you like a Dad. I still do. Everyday is a battle but I'm winning because Weak is not how you would want me to be. We love and miss you so much.

“ I can't believe this just happened. I'm so so sad. I'll miss him so much. One thing about my uncle Bobby is he always always made me laugh. It seemed like he just laughed and made jokes thru life. If I told him something bad that happened he'd say something funny about it. It was like he never took the bad times so serious. I always admired that. I'm sure he went thru bad times, we all do, but I could never tell when I talked with him. He always made me smile. I'll miss him forever.

“ We have only your memory to remember our whole life through. But, the sweetness will linger forever as we treasure the image of you.
Bob, I'm holding onto our memories the ones that are so dear. To try to keep you always close now that you are not here.
You have left a legacy. There was no one like you. You were very special. I will never forget you. I have been blessed to have you for my brother.

“ *My uncle Bob was very smart and loving. I'm truly going to miss his company. I reached out to his favorite ministry he would tell me about & they emailed me a link for grief & told me to share it with any one who might need it. I'm very grateful for all the memories I have with him. Me and my little family will never forget him, Uncle Bob will continue to be apart of our lives.*

“ *I'm going to miss my Uncle Bob. He would always take me and my cousin Felisha out to eat to hang out or even just to go to the grocery store. Every time was an adventure and memory I will cherish forever. I remember the last time I went to SA to visit he called me a week before to ask when I would arrive to make sure he was going to be able to pick me up from the airport. I never had to ask him he just wanted to do that. I feel very blessed to have had such a great uncle who I know loved me for just being me. Thank you for everything Uncle bob I will remember you always.*
