“ I am many years late to have come across Mr. Logan's obituary. I'm so sorry for his family's loss. Mr. Logan was a very patient man. He taught me math at St. Francis Academy. I am so thankful to have had him as my teacher. He taught us so much and had some pretty good jokes he would share with us, here and there. I'm so sorry for being obnoxious from time to time. May you be at peace.

“ I met Robert one time when he took me to breakfast to talk about being in my screenplay, "The Orb", back in the mid 1980's. (Now - "The Unicorn Riders of the Orb") He was one of the "nice" Hollywood stars who actually tried to help new writers. I will never forget his kindness. I'm sure he is in heaven now.
