“ *To the Family of Robert Martinez,
As his cousin I knew that anytime I saw Robert he would make me laugh. He knew just the right things to say to make you feel comfortable.
That is one of the things I ask his family to remember about him. He was well liked and he seemed to like everyone he spoke with anywhere he was. It's a very difficult thing to accept but it makes it easier when we know that felt happiness and he was liked by everyone.*
