“ Grandpa I wish I had gotten to know you better . I wish we had more time together. The time I had with you growing up I will never forget and will always cherish. I'm so thankful that you got to meet your great grandson Roddy. Even though he was too young to remember you I always tell him about you and what great man you were. I know this is many years late but I wanted you to know that I miss you and I love you grandpa.
