

Robert Pineda

April 11, 1946 - February 24, 2022

Robert C. Pineda, age 75, passed away at home on Thursday, February 24, 2022 in San Antonio, Texas. He was born on April 11, 1946 in Seguin, Texas to the late Genevevo and Clemencia Pineda.

Robert was an outstanding athlete at Luther Burbank High School where he participated in football and track. As an all-star football player he was presented the opportunities to play collegiate football on scholarships. However, he chose to enlist in the US Army where he proudly served his country in Vietnam from 1965 to 1968.

Robert enjoyed a long career working as a draftsman and plans checker for the City of San Antonio in the Development Services department where many of his co-workers and clients became lifelong friends. He retired in 1999 and truly enjoyed retirement for over two decades.

Robert was a loving dad who always supported his sons, especially when they were into BMX bikes, by driving them to competitions and even constructing an 8-ft quarter-pipe ramp in the driveway of their home. He was always willing to extend his help and support other neighborhood kids during these times. Robert's world got a lot brighter when he became a grandpa to Catalina Pineda (2009) and Julianna Pineda (2018). He would move mountains for his granddaughters and will now watch over them.

Robert is preceded in death by his parents, Genovevo and Clemencia Pineda; sister, Gloria Collins; sister, Hortencia Nanyes and brother, Willie Pineda. He is survived by his brother, Carlos Pineda (Jackie); loving sons, Robert R. Pineda and Roman C. Pineda (Linda); grandchildren, Catalina Pineda and Julianna Pineda; his best friend, ex-wife, Liz C. Pineda; numerous nieces and nephews and so many others who viewed him as a father figure. Robert didn't have a lot but he gave so much and was always willing to help others. He lived a life of service, never judged anyone and had a big heart. Robert was loved by many and will be deeply missed.

“ Sending my deepest condolences to the Pineda family. I worked with Robert at the Building Inspections/Development Services Department. He was a true friend in every sense of the word. Heart of gold and even helped construct a storage shed that is still standing today!! Rest with the angels my friend. God Bless!

“ I met Robert when I started working for the City of San Antonio Building Inspections as a plan examiner. He taught me a lot and we had plenty of good times. I gave him a puppy that he named Chip and the whole family loved that dog. I had stopped by his house a number of times over the years when I was in the neighborhood but I regret not visiting him more often. He wasn't just a coworker but a good friend forever. My deepest condolences to family and he will be missed by everyone that knew him.

“ My uncle Robert was such a wonderful Father, brother, friend and the grandkids were the world to him. Uncle Robert was the rock that held everything together. He was there for my mom Hortencia Nanyes when she was sick and always visited her , and that made her day. She would always ask me " how's Robby ? " I love those memories of all of us together at grandma house making tortilla and drinking bottle soda. I love you Uncle Robert and you will be missed by everyone.

“ Robert was our next door neighbor for over 30 years. He was a very humble and simple man filled with so much love and compassion for others. He loved sharing the word of God with us. He was more than my neighbor, he was a Friend, a brother, an amazing soul. I will miss our daily talks over the fence, just hearing his voice or laughter would brighten our day. Robert was an amazing man of God. We will miss him so much.

Our Deepest thoughts and condolences to the Pineda family.

“ *Robert was a good friend an great neighbor. Always fun to talk to and always ready to help. A fond memory of Robert was the morning after my election, Robert rang my doorbell. He came by to congratulate me on the victory. He shook my hand, he gave me a hug and told me how proud he was of me. I will never forget that. Our neighborhood will never be the same. We miss you Robert.*

“ *My Uncle Robert was like a father figure to me. Although most of my life I have lived outside Texas there was never a time when I visited San Antonio that I did stop in to see and visit with him. He was unique and a loving person. I will miss his laughter and I will miss him very much! I love you Tio!*

My memory of Bobby was when he and I attended the Grand Funk Railroad Concert at the Hemisfair Arena. We had O.K. seats, but somehow by the middle of the show we ended up in front of the stage right in front of the band. Got to see and hear Mark Farner really close up. WE were both freaking out.

Rest in peace with the Lord by brother.
