“ Karen,
I just found out about your father passing last week and wanted to say my heart and prayers are with you and your family! Even when we know our parent or loved one is on their way to heaven, it hurts beyond belief when they pass. I think you are an amazing, kind and strong person and will get through this. One day at a time. I will miss you at work and if you need anything or just want to go to lunch sometime, call me and I will be there. God bless you and your family and may He heal your broken hearts and give you all joy once again.
Your sister in Christ,
Sonja MBPN
