Hi Nancy,

I didn't know your dad personally but my family and I would see him outside almost every single day. I always wanted to stop by and introduce ourselves to him since we lived in the same neighborhood and there was something about him that caught our attention. Now I know that it was the love for our Lord and Savior Jesus Christ. I noticed that I hadn't seen him outside for some time and was worried that something may have happened. So tonight I decided to search around and discovered this sad news. I am so sorry for your loss. Our thoughts and prayers are with you and your family. Please know that even though we never spoke, your father radiated the love of Jesus to passersby.

Sincerely,

The Ruiz Family
