“ Daddio, what I wouldn't give to have our daily calls again, to hear your jokes, laughter, to hug you, to see you, spend time with you and so much more. It is said that a daughter's first love & first hero is her dad. You have always been & will always be. I will forever cherish every memory of you & I hold you in my heart tightly. Sleep with angels, daddy!!! Love you always & forever!!!! -Gini
