“ Uncle Bob, I'm sad that you are no longer with us, but I know you are better off where you are now. What an experience it must be to live in heaven with our Lord and savior, Jesus. And to be with all your loved ones who are already there. I ALWAYS loved going you yours and Aunt Rose's house. It was fun and y'all made me feel so loved and welcome. I hope I will see you again one day. Give Aunt Rose a kiss for me. I love you Uncle Bob. Donna Lea

“ Pop! I still remember first meeting you and Meme! Little did I know you guys would both welcome me with open arms into your family! You were like a grandpa I never had in my life! Thank you for that. Both you and meme helped fill the whole when I felt I no longer had a grandparent of my own. I'm gonna miss you, so much! Tell meme I said hi, and that I love and miss her dearly! May you both now Rest In Peace together! See you again, someday! ❤️
-Loving and missing you,
Vanessa..

“ Papa Duke, I knew this day had to come. I was just praying for another day, everyday because I needed you here. But I am extremely fortunate to have gotten to spend as much time as I did. It was tough watching you fade away over the past few years but you were still superman in my eyes. I can't wait till we all get to be together again one day, but until then, just always know that we will miss and love you forever. Give Meme a kiss for me! Love you! - your Michael Duke

“ Daddy it was so hard watching you slowly lose your memory and deteriorate to your death but I know that you are in heaven now and have a glorified body. You're with momma walking the streets of gold. I'm going to miss you so much but I know that some day we will see each other again. I love you more than words could ever say.
