“ Ohh My uncle Robert was a true good ole guy! The kind that that would be up by 430am drinking coffee and reading the paper, opened doors for women, gave the shirt of his back for someone in need, help would even help you on the side of the highway, or jus even someone you could always talk too. When we would go over you would always find uncle Robert In his garage or under his truck fixing something! He always had a smile on his face and wouldn't let anyone see his pain. He had the greatest love for all of his family! And among the love for family some of the other loves were black coffee, the Spurs, the Cowboys, Bill Millers tea and apple pie, and the love for his Miller Lite! Uncle Robert you will always be remembered and I know the train to heaven will also be in great condition because of grandpa Soto, uncle and you are taking care of business! Forever loved and remembered! ❤️
Love you DeeDeebomb!

“ My uncle Robert was “ one of the good ole guys” . The ones they don't make anymore!! He was always tinkering in his garage or underneath the hood of his truck. He was the kind of guy that would go help you out on the side of the road without fail or give you the shirt off of his back. He was always up by 4:30 AM drinking his good morning cup of Joe and not missing a beat! A couple of things that he loved beside family were his Spurs, his Cowboys, apple pie and his Miller Lite! He will live on in sooo many memories and and hearts!!! Heaven is in good hands because you are fixing everything in site and making sure the train to heaven is in great shape and on time!!! Loving and missin you, DeeDee bomb!!!
