

Robert Edward Weyel Jr.

June 8, 1942 - December 21, 2017

Robert was called from this life on December 21, 2017 at his home in San Antonio. He was born June 8, 1942 to Claudine Wilma Howard Weyel and Robert Edward Weyel, Sr. in San Antonio, Texas.

He graduated from Central Catholic High School and attended San Antonio College. He worked for Martin Bauml Plumbing Company, then was accepted into the apprenticeship program of Plumbers and Pipefitter UA Local 142 and worked as a pipefitter/welder for 33 years. Robert was employed by Todd-Ford and A. J. Monier and other mechanical contractors. For them he worked on San Antonio area projects in the 1970s through the 1990s including at Kelley and Lackland AFB, UTSA, USAA, City of San Antonio, and most of the hospitals in our area.

In retirement he enjoyed keeping records of birds for his own enjoyment and for Cornell University Laboratory of Ornithology; trying out old and new fishing gear around Rockport, Port Aransas and Corpus Christi; sharing his Dutch oven cooking skills with wife and friends; being in the outdoors; and walking and traveling with his dog Patty from the Animal Defense League.

He is survived by his wife of 48 years, Peggy Ann James Weyel of San Antonio, his sister Constance Louise Howard Elliot and her husband Quinn Elliott of Universal City, as well as many cousins and friends.

The family's appreciation is extended to the many doctors including Dr. Carlos E. Alvarez-Meraz, and Drs. Mauro Ortiz and Carlos A. Roman, who helped Robert as he survived West Nile Encephalitis in 2012, Dr. Fadi Abouzahr, and Dr. Carlos E. Menendez, who became a critical member of Robert's "team" when his heart and kidneys began to fail. Our appreciation is also given to the Encompass Hospice team who provided care in his last hours.

Donations in Robert's honor to the Animal Defense League on Nacogdoches Road in San Antonio and/or other charitable organizations of your choice is requested.
