“ *She was one of the most amazing people in this world that I have the honor being part of her family and call her Grandma. She will always be loved and I will miss her greatly.*

My three greatest memories of Grandma are:

The love & joy she had during family Christmas dinner

The excitement she had after our (myself & Kathleen) first baby announcement

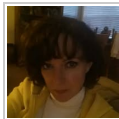

The happiness and pride she had during my college graduation.

“ *My heart and prayers go out to the family. In San Antonio, we lived right down the street from each other, and I remember our Moms as the ones who would always put up with all of us! Cherish the memories and know that she will save a special place in heaven for all of you. ❤️❤️*

“ There aren't enough wonderful words to describe Bobbie (mom). She was a loving wife,mother,mother-in-law, grandmother,great-grandmother and friend. Her beautiful blue eyes would draw you and make you wonder just what she was thinking about. She treated me as though I was one of her own. I was so very fortunate to have known her. The love and kindness she showed me will forever remain with me throughout my life. Rest in eternal peace Bobbie.
