“ I am so sorry for your loss. I just learned of her passing today. Of course, I only knew her a brief time, but we had many nice conversations. She told me about her life in Coos Bay, her family (especially her grandchildren - so proud of them), her beloved husband and their many years of happy marriage. In our last conversation, she told me that she just wanted to be with her husband. Now they are at rest together. She was a very kind and thoughtful lady. I told her one day that my mom was very lucky to have such a sweet and caring room mate. Our sincerest sympathies to the family at this sad time.
