“ Robert was one of my favorite customers at HEB. He would come in asking for his special tacos, then serenade a song about "Matea", mezcal or "Mis Talisman". I'll miss him calling me Tía. All of us in Sabores will miss him. Con todo mi corazon Margo Lopez 🙏🌟🌟

“ Chingow dad I never thought this day would ever come but here we are. My heart and soul are both shattered I feel so empty and broken inside. I'd give anything to just hug and hold you one last time, to hear your distinctive laugh and to see that smile of yours but I can't and its killing me. I love you dad with all my heart & soul and I promise you that no matter how much time has passed I'll always keep you're memory alive, always. No more tears, no more sleepless nights & no more pain, now you can rest easy. Valla con Dios y descanse en paz...Mi Jefito 🙏😞

Brother-in-law, you were a complicated man, hard to understand, but we know that you loved your family and friends as much as you were loved. Every time we talked to you, you would say something to make your brother and me laugh. I will miss your lame jokes and Joe is already missing your daily talks. FOREVER IN OUR HEARTS

Robert, it makes me so sad I didnt get to see you one more time. I wanted to meet the grandbabies, now that will never happen. I love you and you will be forever in my heart and thoughts. We all had some great memories when we were all together, listening to you all play music while we dance. Memories I will never forget. I love you and appreciate all you have ever done for me and my mom and the kids. Till we meet again.
