

## Roberto Flores, Sr.

December 11, 1926 - October 22, 2009

Roberto Flores, Sr. passed on Thursday, October 22, 2009 after a lengthy illness. He was born December 11, 1926, in Pharr, TX. to Victorino and Santos Rodriguez Flores. He is survived by his wife of 55 years, Alice Niki Flores, his three sons, Robert and his wife Juliana, George, and Royce Flores and his wife Gena Meyer, and grandchildren Justin Flores, Lauren Flores, Preston Guarnero, Mikaela Trevino, and David Flores. After surviving a childhood illness, Roberto dedicated his life to caring for others by working as a long-time respiratory health provider at the State Chest Hospital. He often spent many hours of his own time tending to the needs of his patients, always offering an empathetic ear and caring advice. Denied an education in early life due to illness, Roberto persevered and completed his college education later in life. He passed on the importance of education to his sons, who all received university degrees. He also passes on values such as hard work and perseverance, often working multiple jobs to support his family. He had a passion for life, sharing time with family friends and neighbors. He often loved to share humorous stories with friends, patients and strangers. Besides being a dedicated husband and father, he was also an active member of his parish, San Jose Church and the Knights of Columbus. He volunteered services to those in need of assistance by providing whatever care was needed. One of his proudest moments in life was the opportunity to be selected to personally meet Pope John Paul II on his visit to San Antonio during the 1980's. Roberto had a great passion for life and travel. He regularly visited the neighborhood

bargain stores and markets as an opportunity to greet his friends and share news events and stories. He loved to travel, taking as many opportunities to visit other countries with his wife Alice. He would often travel at a moment's notice with Alice to enjoy life. Roberto touched the life of many people with his wonderful nature, kind heart, and joy for life. He is loved by many and will be missed by his family and friends.
