“ *Uncle Robert will be deeply missed and will always hold a special place in our hearts. We will always regret the time lost with family during the pandemic making his loss so much more difficult. Take care of one another and cherish your precious time with your families. You all will be in our thoughts and prayers in the coming days and hope that you can find comfort and peace in all of the memories you share together. My best memories of uncle Robert were his corny jokes. He could always make us laugh. Love you all!*
