

Roberto Lopez

January 12, 1956 - March 22, 2021

Roberto Lopez known to many as “Bob” or “Beto” went to be with the Lord on March 22, 2021, at the age of 65, in San Antonio, TX. He was born on January 12, 1956 in Corpus Christi, TX. He is preceded in death by his father, Severiano Lopez, Jr., and his in-laws, Ezekiel and Velia Rosas. Roberto is survived by his loving wife of 36 years, Rachel Lopez; mother, Irene Cabello Lopez; children, Robert Marcus Lopez, Rebekah Hernandez (Jonathan), David Lopez and Jonathan Lopez; 3 grandchildren, Aiden Hernandez, Ari Hernandez and Lyana Lopez; siblings, Ramiro Lopez (Maria Leticia), Amelia Lopez and Richard G. Lopez, and numerous aunts, uncles, nieces, nephews, cousins and friends.

Growing up on the southside of San Antonio, faith and family were of the utmost importance to him. He loved teaching God’s word in his church and community. In his youth he enjoyed playing softball with his brothers and cousins annually in a league sponsored by the church. Later in life, he loved spending time with his grandchildren, traveling all over the world with his wife and reading about racehorses. His favorite was Secretariat. Lastly, were the family gatherings with his brother and sister in laws where they would break bread together and play The Mexican Train.

“ Remembering Robert today, his Birthday.

When I first met Robert, I was impressed by his intelligence, maturity, strong sense of responsibility, and trustworthiness. He was wise beyond his years. I enjoyed watching him play basketball and baseball, while he indulged me in my love for James Taylor's Songs. Robert always treated me with respect and made being with him so much fun and memorable. Although he admired me for my intelligence and celebrated my accomplishments, Robert was often stunned and amazed at my bouts of playful mischief and "colorful" ways of verbally expressing myself. It would absolutely crack him up because he said I looked like such an angelic Princess. He loved the contrast!

Robert knew I was extremely private and honored my privacy to the point of being very protective of me. No matter what was going on in my life, he was extremely patient with me. Robert would offer in a very calm and confident voice and manner, guidance and reassurance that things would be fine. He sensed that what I needed most was heartfelt compassion and unconditional Love. Robert gave me both and then some. I consider myself very fortunate that God brought such a Wonderful Handsome Man like Robert into my Life.

I remember him on his Birthday, but I think about and Love Robert always.

“ *My cousin Robert...or Beto, as family knows him...will be remembered. Not only as a good man, but a man who didn't flounder in who he was. We have lived so far away from him and his family over these past decades, yet I still know him and his character as a Godly man who was compassionate, loved his family and also gave to others. How do you measure a man these days? I think that Beto was a man who other men could and should emulate. His character was absorbed from his own heritage of God followers. His legacy will live on for generations to come. We'll miss you Beto! Our paths will cross one day, and we'll smile at how good God is to us. We pray comfort and peace for Rachel and the kids.*
