“ Dear Janis and family,  
I am so sorry to hear about Roberto. When his sister, Martha, and I became friends in high school in 1967, Roberto was always in the background at 353 East Woodlawn when I visited. I watched him grow up in a way, but only saw him a couple of times a year by the time Martha and I finished college. It was lovely to get reacquainted with him and Nisa when we traveled to Christina's graduation in 2009. What I remember so dearly about Roberto as a kid and adult is his huge smile, happy disposition and warmth. A very vivid memory was being in the small kitchen at the Woodlawn house where we sat for meals and to visit, and if Roberto came in, he simply filled up the room with his warm personality. You simply had to smile back and enjoy. What a beautiful memory I have of this. My sincere condolences for your loss.

*To Janet and family, Robert was a childhood friend, I spent my early teenage years with him, yes I knew him before he had a beard lol... He was a fun guy,. We spent many days laughing at whatever....He had the best heart ever, good person...We loved him, my mother loved him, we would sit and fish at the river, listen to all the new rock songs coming out together.... Went to countless concerts together...Yes, I loved the man...I'm so sad and sorry he had to go, it was to soon.... You have my families condolences... He was the best.....Sorry I could not attend, I'm in KC...*

“ *Janet, Roland , Nisa and Robert Jr. our hearts go out to you all and to his grand children as well. Our hearts are broken. And for the time being the world is a darker place without him in it. Please take comfort in the knowledge that he was loved by many family and friends but most importantly he was loved by y'all and that is where his joy was. In each and every one of you. Rest easy our dear friend. We will always remember you with love in our hearts. Rlp Bert ...we miss you now and we always will 🙏❤️*
