GW

“ Velma, Darrell & I send you our most heartfelt condolences to you and your family in the loss of your father. The loss of someone so dear is something one never gets over, but as time goes by you realize that the memories are keeping those loved ones alive in your heart. Your dad is resting peacefully now and you can now look forward to the day when you will see him again, but at that time he will be young, healthy, and strong. In reading some of what friends and family wrote about him, he was a great guy to have known and we hope to meet him one day in paradise. In the meantime, you all remain in our prayers.
