“ *I remember the families all meeting at Bobby and Rachelle's house. We all had a crawfish boil and lots of laughs. It was so nice to see all the guys hanging out and how the families all meshed so well. I remember how proud Rodney was of his family, you could just see the love he had for them. May God bless you all in these times. May he wrap you all in his arms of comfort like only he can. Prayers and blessings to you all Taken too soon. Rest Easy Rodney Efrain & Josie Martinez*

“ I remember all the times we would get together and hang out. The time he had gotten me on at Munters. I will always think about the time he and I ran the water line to the house with Jennifer being upset about how the ditch line looked like a snake or the time we put a new roof on the house in the middle of summer. To Jennifer, Jaylee, and Brandon you will be in my thoughts and prayers from now on. You ever need anything let me know.

“ My first meeting with Rodney was onboarding at Superior Silica Sands. I worked with him on his new hire documents. I was so impressed with his demeanor. He was a true gentleman, who on every occasion was in a great mood and always had a huge smile! WE will miss him dearly. My deepest condolences to all of his family.

“ Rodney was my son in law. He had a heart of gold and would help anyone that needed help. I remember the day he wed my Jennifer how happy and nervous he was but loved her with everything he had. The day he became a father and grandfather (Pop) for the first time you could see the light in his eyes and how proud he was of his children and grandbabies. Rodney you will forever be in our hearts and missed more than words can say. Thank you for being a wonderful husband to Jennifer and a awesome Dad and Pop to my grandbabies. Love you forever

“ *Rodney I always jokingly called him Rodman. He was a very soft spoken truly genuine person that had a soul of compassion, understanding, with a love for life and all that it had to offer. May you rest in peace my friend.*
