

## Rodney F. Lopez

July 28, 1968 - March 11, 2023

Rodney F. Lopez entered the kingdom of the Lord on March 11, 2023 at the age of 54 years old. Rodney was born on July 28, 1968, to parents Ignacio & Benita Lopez in San Antonio, Texas.

Rodney was a loving caring son, brother, uncle, and friend. Whom will be dearly missed.

When Rodney was a child and on into teenage years. He always wanted to learn new things. He was always seen with books. This was one kid who loved doing homework. Fast forward to the days that he entered the medical field. Within time at different Doctor's offices, he learned so much about being a Medical Assistant. Well, if that wasn't enough, he decided to go into teaching about Medial Assistant aspects. Rodney had found his true calling. Making numerous friends and graduating many classes throughout his 20 years and over of teaching. Rodney loved to talk, that's without saying. He had other interest in his life. He loved to travel, spend quality time with family and friends. The love of God and the Bible. He taught his family and friends.

How God loves us and has a plan for all of us.

Rodney is survived by his parents, Ignacio H. Lopez and Benita F. Lopez, brothers Arthur F. Lopez and his wife Gail Ann Lopez, Ernest F. Lopez,

Thomas F. Lopez. Robert F. Lopez, 5 nephews, 2 nieces, 4 great nephews, 2 great great nephews, 1 great great niece and his best friends Jesse & Gina Berrones.

“ Growing up right across and next door to the Lopez family was a true joy. There was never a time that we were outside that when Rodney would come home he wouldn't stop and talk to us. Even into my young adult years when we were living in the house right across with my papa and I brought the boys home from the hospital he would always stop and interact with us. Through the recent years that have passed and us not being close we kept in contact and he would always share such encouraging words with me and remind me what a good mom I am. I am going to miss you Rodney. Your friendship meant the world to John and I. I know you are in heaven healed and whole and I sure hope my nanny was waiting for you when you got there. Rest easy my friend. You will never be forgotten.

*25 years of one of the most beautiful friendships ... thank you Rod for coming into my life and teaching me how to laugh longer, smiler wider, and shine. I believe I did the same for you. From New York to San Antonio was a long move but then there you were in the office... and I was sitting at your desk. You were about to lose it and then we looked at each other and we knew we were going to be forever friends.... You are always in my heart-- I love you Rod. Thank you for being the best friend that you were and thank you for loving me and us no matter what. I miss you and I am at a loss of words. Amazing -right? My heartfelt condolences to the entire Lopez family. I want to thank all of you for welcoming me into your home and family. Rod will always live on in all of us. 728427262626*

*Our condolences to the Lopez family. I had the pleasure of meeting Rodney during our high school years. The past 37 years we have always kept in touch. He was always so inspiring and uplifting. He spoke very highly of our children Priscilla, John Jr and Kristina. He was so proud of their accomplishments. We shared good laughs and great memories. I sure do miss him calling me and telling me how proud he was of John and I (being such good parents and role models). At the time it really didn't sink in when he would say those words and now I look back and miss hearing his voice. I'm so blessed to have crossed his path. Keep flapping those Lips in heaven. (inside joke between us). God Bless. Love, Almis and John*

*Well Rodney, I guess your destiny has been fulfilled here on earth, and the Lord had Seen your body tired so he's set down, an angel from the heavens to guide you home and give you comfort, so an angel was sent whom is your niece" Tiffini Shayna C. Lopez " to wrap her angel wings around you to take you home ( heaven) . You will never be forgotten because you will live forever in our hearts and in the kingdom of God. I love you Madonna/ Jane Fonda until we meet again. And also my heart goes out to the Lopez family during this difficult time of sorrow. There are no words to mend your broken hearts. Love you all.
