“ Tio,
A gentle giant of a man with an angelic voice. I wasn't always around, but you always welcomed me in your house and treated me kindly, even when I didn't deserve it. I think everyone knows that I was a crazy kid, and I always appreciated it that you never held that against me when I grew up out of that phase. You were that steady rock and responsible for producing some great kids that I love and have had the pleasure of growing up with. We love you and will miss you dearly.
