“ I remember Rudy when he was a lineman with Southwestern Bell at Dakota St. That was in 1969 when I was hired as a cable splicer..I recall he worked with other lineman Smity and Russell ..he was a hard dedicated worker..much later I ran into him at the Hildebrand office ..when he told me he supervised a crew to lay fiber from San Antonio to Laredo ..his idea of staying on the job site after hours with his men, machinery living in a travel bus with all accommodations completing the job in record time saving Bell millions ..Rudy was a good friend ..we had a few beers from the to time after work at Dakota street...RIP my Nam bro...Semper FI USMC 1968..
