“ It is with a greiving heart that we express our condolences to all his family. His Tio Raul and Tia Angie are so filled with sadness. We will always remember the times he spent with us as a young boy. The times he went on fishing trips with us. His beautiful smile and humorous personality. We never had the chance to go fishing with him again but he will be forever in our hearts. Though we rarely got the chance to spend time together; he will always and forever be with us all.
