“ I remember him always trying to teach me Spanish, way back like when I was in 3rd grade! I'd always give up to fast and he would tease me and call me a quitter! Haha!! I wish I would have tried as hard as he did teaching me! I will also always remember his firm presence in a room and how he listened to everything...took it all in and then would comment.. or walk away..(that wasn't a good sign) Not a skill I have. Persistent strong willed caring man he was. He built a beautiful strong fun loving family that I love and care for so much!
