“ *My heart is broken. Will forever miss your jokes you had for all of your brothers and myself. Roy you have reunited with your son Rudy. You will forever be missed until we meet again my brother Roy. You now are pain free and able to breath again. Tight hugs to you it's not a goodbye it's until we reunite again. Love you just like my text said to you.*

“ Roy was my wifes cousin. I met him in 2015. He was full of life & lived it the way he wanted. He was helpful, kind, funny & tough. We became closer when he moved next door. Everyone who knew him knows that he took life head on and never complained about it when things got hard. He loved his family with all his heart. It's a big loss & my heart hurts for his family. I will always miss him & am lucky to have had the privilege of being his friend & a buddy.

“ Roy was my first cousin, my next door neighbor and like a big brother to me. Words cannot Express the pain in my heart. So many countless good times I will always remember  
This is only an earthly goodbye  
until I see you again  
you will be forever in my heart
