“ Roger was my mother's night nurse at Stone Oak Care Center. I called my mother every night and Roger always helped her hold the phone so that I could talk to her. He and Mother talked about their faith in God very often; my mother, who died February 15th, 2015, loved Roger, as did I for his kindness to her and also to me as he gave me such reassurance of strength and comfort. I prayed for Roger and continued to do so after Mother died; I did not realize that he had passed away until recently, and I am so sorry for his surviving family, but I know that he is safe with God. I will never forget him.
