

CMSgt Rogis A. Hull, USAF (Ret.)

June 24, 1932 - August 17, 2019

CMSgt. Rogis A. Hull, USAF (Ret.), 87, was called Home on Saturday, August 17, 2019.

He was born to Benjamin and Louis Hull on June 24, 1932 in Catawba, North Carolina. Rogis obtained a Bachelor's Degree in Science before he was enlisted to the military in 1956. CMSgt. Hull served over 30 years in the U.S Air Force. He was honored for dedication to solve problems and his outstanding character; as well as his want to help others succeed around him. He married his wife Olivia, in 1986, who survives him along with his only living child, Stephanie. He is also survived by his sister, Janice Bryant and husband, John; and niece, Tanya. CMSgt. Hull is preceded in death by his parents Benjamin and Louis Hull, his brother Kermit Hull and his first born daughter, Kimberly Joy Hull.

CMSgt Hull was talented in many ways. After his duty to the military, he reignited a passion for food and cooking, which started at a very early age. Before his career, he followed his mother around the kitchen every chance he could. He took those skills and never forgot them. Every holiday, special occasion, and sometimes evening dinners you could find him in the kitchen. From family secret recipes to his own homemade pies. He took his craft very seriously but was always willing to teach those who wanted to learn. Aside from food he loved a good basketball game, "his" San Antonio Spurs to be exact. He swore he was the head coach sometimes and he never missed a game. Overall his devotion was to his faith and family. He took pride in being

the head of the household and made sure everything was in order spiritually and physically; and for that we are forever grateful.

“ *I have been his nurse for the past 5 years. His voice is very unique, as well as, his opening line when I answered the phone - "Lisa, I got a problem". It was my pleasure to assist him every time he needed me. I will never forget his endless efforts to compose himself even when he wasn't feeling well. He will be missed. I am thankful that our paths crossed. Rogis - you no longer have a problem! Olivia please know I am here if you need me. ♡*
