“ *Roland was the father of my children. We had a love that no one understood. We raised Stephanie and George with the knowledge we had to be strong and independent and to respect our home and values. I stayed in touch with Roland cause We both thought it was best for our children. We became grandparents and loved them and shared stories of how they all were different, he was fond of Jullissa she was our first grandchild. I remember he was always so tuff "Can't Hurt Steel" was what he would say.. ha ,. Mickey will be deeply missed the last time I talked to him was the Friday he said he was trimming grandmas tree with Joann and Gene he said hey mamma go check it out they really messed it up .lol. I told them to cut it in an umbrell ,then he laughed . He said he was going to fix it. Silly things he said , Roland I will see you in the skys above never goodbye, but till we meet again. I will take care of our children and grands till forever.. Rock and Roll Drove my Chevy to the leavey... Gone but not forgotten*

*Roland will be missed for so many reasons. He was the dad that was always there for his kids. The grandpa that was always right there to care for his grand kids. The brother that you could always call to help you with anything. The uncle that never said no when you needed his help. Too young he's gone on but we will be together again. That is something to look forward to.*
