“ I will always remember Roland playing with me when I was little. I will always remember him as a stoic man and Marine. Even though as an adult I didn't spend time with him as much as I did as kid, he still helped me with in my most darkest times as a veteran. He was the only one out of every family member, co-worker, friend, that stopped and helped me out. With out his help, I don't know what I would have done. He's always been a cousin and a person who never made me feel as an outcast or unwanted. He made me and my sister laugh so much. He has always been a good person to me and my family regardless of what was happening within him. I know we hardly saw each other, but we lost someone who truly was a good person. A person who endured so much and never complained. He kept his head held high and relied in his faith. The blessing in all this, is that his amazing talents and redeeming qualities will be passed down to his sons and each generation after. May God bless and protect his wife and sons. Make them strong through this time. Make each day a little easier. Please bless My Uncle Roland & Aunt Mona, my cousin Cindy and Stephanie. My aunt, uncle, and cousins have been through so much. Please God protect them, they are good people who are good to others. Please provide them the ability to get up everyday with peace and hope. Help them in their darkest hour and shine bright in their moments of faith.
