“ *Jim and I send our love and deepest sympathy to all my cousins. Tia Nita will always live in our hearts. My fondest and most appreciative memory of Tia was when she was there for me after my mom's passing. I was living in Houston and was two days away from delivering my son Matt. I was going through some difficult marriage problems at the time and Tia and my cousin Maggie drove to Houston (first aid kit in hand and ready to deliver Matt if need be on the way home) and brought me back to San Antonio where I could deliver my baby and be surrounded by family. I will never forget this huge effort on their part to be there for me shortly after my own mom had passed away. Tia Nita will be deeply missed by us. I apologize that Jim and I will not be able to attend since he is battling stage 4 cancer, but you are all guaranteed our prayers.*
