“ *Mr. Harmon was a breath of fresh air whenever we spoke. He always had a smile even when he didn't feel too well. He shared so many of his personal life experiences with me and always had great advice and wisdom. I truly admired Mr. Harmon and I am going to miss him dearly. May Mr. Harmon Rest In Peace. I will definitely share his words of wisdom with my son. I am forever grateful for having met him.*

“ We extend our sympathy to you Ken, and your family. Bud was such a loving human being, soft spoken at times, but always with a ready smile and kind word. He was such a determined and up beat person, despite his losses, and battle with illness.

I met Bud 20 years ago when I married my husband Roger. Roger was a member of their poker group. which has met faithfully once a month at each others homes for well over 30 years. I loved when the group came to our house, and looked forward to fixing a meal for "the boys" because Bud was always the first one to offer a hug, and a compliment for our hospitality.

We are all so surprised at his passing as we had just seen him not long ago. I know his presence among us all will be missed by many. May God cover you all with love, and comfort, and may your find joy in the many memories you have of the man we all know as Bud.

*Love,
Kim and Roger Najera*

“ It is with a heavy heart that I write this. Our family has lost one of the nicest man we have ever had the pleasure of knowing. Mr. Bud Harmon and his lovely wife, Dolly, were our neighbors in the early 1970's. We became instant friends and shared many memories of fun times. They were a loving couple and we were blessed to be their friends. Our only consolation is that they are now together. To Kenny and extended family and close friends, we offer our most sincere and heartfelt condolences. May you find comfort in knowing that he was loved and respected and will be missed. Rest in Peace, derBud! Amigos, siempre, Frank and Lupe (derlup) Hernandez.
