“ I met Ronnie in middle school. Him and Daryl S. Were best friends. He wore plaid shirts, blue jeans and cowboy boots. He had golden hair, brown eyes and a huge smile. I never met his family but he talked about them fondly. He was very popular. After middle school we both went to different high schools and pretty much lost touch. I will never forget him though. I ran into his former spouse trying to find a place for my mom who has dementia. She was working at an assisted living facility and couldn't be nicer to me. I wish him and I could have caught up over the years. There was so much to say. I did try to contact him to say hi but it didn't work out. Whatever happened I know he's in peace wih his mom. God bless the Denning family with comfort, peace and strength.
