“ I am very sad to find out my father has past away I am his son from California for some reason I was never notified of his passing and at this point I have no idea how he died . He left a lot of open issues and never made any attempt to be my father but I have forgiven him and wish his passing was not of pain and discomfort . If anybody could contact me and let me know some details that would be great Ron 714 592 8150. Sorry to any one close to him at his time of passing
