“ I have known Ron for 20 years, being a neighbor and working with him on the Board of Directors in our neighborhood. I lost my Dad 20 years ago and I made Ron my surrogate father, as he and I saw eye to eye on most issues in this world. He always took interest in my family, asking on every occasion how everyone was doing, a trait that is dying as I write this. I enjoyed his company always and to sit down and discuss life over a Budweiser was quite a treat! Ron shared his knowledge of life during some of those Bud sessions with me and I gained wisdom and knew that I had a trusted and deep hearted friend. He reminded me so much of my own Dad that it was uncanny.

Ann and family, I am sorry for your loss, but rest assured that God blessed you with the best that he had, Ron West was just that,
Sincerely, Gary Baker

“ God bless you, Uncle Ron. Jesus, please wrap your loving arms around the family. I remember, as a little girl, Uncle Ron helping granddaddy in the yard, while the “women folk” congregated in the kitchen.
