

Rosa E. Cargill

July 23, 1950 - May 25, 2017

Rosa E Cargill (Wenche) was a loving mother, sister, and friend to so many. She was born on July 23, 1950, to parents Enrique and Petra V Elizondo in Sanderson, Texas. Rosa passed away the evening of May 25, 2017, in Round Rock, Texas, where she resided. Rosa is survived by her children, Mona Escamilla, Alfonso Escamilla Jr., and Lewis Ruben Escamilla; twelve grandchildren; three great grandchildren; three sisters and five brothers.

Rosa put herself through nursing school, and she was widely recognized throughout South Texas because of all the people she had the opportunity to help during her career as an LVN. She touched so many lives with her stories of travels, adventures, and especially her family, which she loved so much.

Her beautiful eyes and amazing smile had a way of making people feel loved and important. Heaven gained another angel she will be greatly missed but she will be watching over everyone she touched.

Services will be held Saturday, June 3, 2017 @ 3:00 P.M. at Mission Park Funeral Chapels North
