“ *The only thing that softens the blow of Rosa’s death is knowing that the moment she took her last breath is also the moment she took her first breath in paradise with her/our Lord and Savior, Jesus Christ. Rosa was one of the most giving, most loving Christians I have ever known and a prayer warrior. We were in a church home group together in Florida, and her vibrant personality and deep and abiding faith were such an inspiration. Her sense of humor, devotion to friends and family, and joyous personality will always be remembered. Bobby and family, please know we are thinking of you and praying that the Lord comforts you throughout this time and always. Our loss is surely Heaven’s gain, and we look forward to the day where we will be together again with Rosa in a place where there is no more sorrow, sickness, or death and where we will dwell in the presence of The Lord forever. Please know Rosa continues to live in our hearts as well, in a place where memories of her faith and friendship are deeply cherished. What a wonderful, wonderful friend! Thank you, Rosa! Love, Sheila and Fred*
