“ *Grandma Rosa and I didn't speak the same language necessarily but she was welcoming and generous with her affection to me. She always wanted to feed me. She would talk to me without hesitation even though I didn't know what she was saying and this always this made me feel welcome. Thank you Grandma Rosa for your kindness and for giving life to this world and this family. God has called you and I'm sad you have left this world but happy you now have eternal peace and joy.*
