

Rosa Maria Herrera

January 17, 1955 - August 10, 2013

Rosa Maria Herrera was the bright shining star to all who knew her. She was called to be with our Lord on August 10, 2013. Rosa Maria, or Mija as she loved to be called by those closest to her, was welcomed by her dear parents; two brothers whom she dearly loved and her nephew Mark. Mija will now be able to do all the things she loved to do; but slowly lost the ability to do. She is survived by her sisters Maria T. Herrera and Maria C. Cerda. They were more like second mothers to her, especially Maria T. Herrera. She is also survived by her brother Pete A. Herrera and numerous nieces and nephews. Rosa was very much loved and will be missed more than words can describe. We will never forget you.
