*My deepest sympathies to the Villalobos family.
Mrs. Villalobos was a wonderful teacher and friend. We work together until she retire. Her sister was a teacher that I had in middle school. Both of them were very nice and very patience with the students. God Bless!*

Mrs. Villalobos, though you are gone, you impacted my life. In 1991, I mentioned to you that I wanted to be a Spanish teacher. You encouraged me and said that I could do it. Mrs. V. thank you for believing in me and pushing me to succeed. In 1992, you encouraged me to run for office in the Spanish club. In 1993, I was the Spanish club President at BHS. You helped shape me into the person I am today. You will always remain in this student's heart forever! Gracias! Xoxo
