

## Rosalie Flores Croom

April 7, 1941 - March 31, 2026

Rosalie Flores Croom, a woman whose warmth and conversation knew no bounds, passed away peacefully at home surrounded by her family in April 2026, following a brief illness.

Born on April 7, 1941, Rosalie's early career included service as a U.S. Government employee at Kelly Air Force Base. Later, she poured her energy and love into her home as a devoted housewife and mother.

To know Rosalie was to know her life story—and for her to know yours. A true social butterfly, she never met a stranger she wouldn't talk to. Whether she was hunting for treasures at local thrift stores or running errands, she had a unique gift for connection. She rarely returned home without having made a new friend and shared a piece of her heart.

While we will deeply miss her endless stories and spirited personality, we find peace knowing she is now in the presence of our Lord Jesus Christ.

### Family & Legacy

Rosalie was preceded in death by her parents, Joseph Flores and Angelita Zertuche, and her beloved husband, Paul Marshall Croom (d. 2010) and her grand-daughter Shaina Tindell (d. 2024).

Her legacy of love lives on through her children:

- Angela Croom
- Patricia Rodriguez (Ricardo)
- Paul J. Croom
- Andrea Dana (Sam)

She is also survived by four grandchildren and four great-grandchildren, all of whom will cherish the memory of her vibrant spirit.
