

Rosalinda Alcalá Longoria

April 4, 1963 - January 8, 2026

Rosalinda Alcalá Longoria, known to those who loved her as Rose, entered eternal rest on January 8, 2026, at the age of 62. She was born on April 4, 1963, in San Antonio, Texas, to Francisco and Felicita (Villarreal) Alcalá.

She is preceded in death by her parents; her beloved husband, Juan Jose Longoria; and her brothers, Francisco Jr. and Jesse Alcalá. She is survived by her devoted children, Norma Aleman (Israel), Clifford Chetwood (Jeanette), Christopher Chetwood (Lois), Melody Chetwood (Ruben Elizondo), Kimberly Chetwood, Bonnie Alvarado (Bruce), Yvonne Longoria (Timothy Rodriguez), Johnny Longoria (Diane), and Jaclyn Medina (David); her loving companion of nearly four years, Javier Villarreal; nine siblings; twenty-four grandchildren; eleven great-grandchildren; and so many other family and friends whose lives she touched with warmth and kindness.

Rose's children wish to express their deep gratitude to Javier for the love, care, and steadfast support he shared with her. His presence brought her comfort, laughter, and companionship that brightened her life these past few years.

Family was at the center of everything Rose did. Her bond with her brothers and sisters was a source of endless joy—she loved traveling with them, laughing late into the night, and making memories that will be cherished

forever. The closeness she shared with her family was something she nurtured and treasured deeply, and she taught her children by example to hold on tightly to one another through every season of life.

“ My baby sister, I just don't know where to begin. You were always the more reserved sister growing up. You were my sister that would always make time to listen anytime I needed to talk to you about anything and everything. You were there when I most needed you. You didn't wait for me to ask you, you knew and you were there. You loved making vacation plans at least once a year just so we could spend some time with our Senior brothers and sisters. lol including myself. I loved that you traveled not just with us, but you also took trips with a couple of your friends.

The day you were called to be with the Lord, part of me went with you. It gives me comfort knowing you are now healed and no longer in pain. You will greatly be missed. Fly high baby sister. Until we meet again. Love you forever.

Your sister,
Janie Alcala Mancillas

“ Rosalinda, I don't think you and I have ever met but I know your sister Janie Alcala Mancillas. we have been not only co-workers but friends. Janie talked so about so many beautiful memories she had whenever y'all went on trips together. I could see the joy in Janie's eyes when she talked about all her brothers and sisters, I feel like I know you. When my friend hurts, I hurt. My thoughts and prayers are with each and every one of you. May God Bless You

“ Remembering the days we would gather at Aunt and Uncle’s house, with Rosa quietly playing nearby while we all ran around that big backyard—playing baseball and filling the air with noise and laughter. Rosa was never loud or showy; she was gentle, shy, and kind in a way that spoke without words.

Rosa, you were such a beautiful soul, full of life, love, and warmth. Your quiet presence brought comfort and left a lasting imprint on our hearts. You will be deeply missed more than words can ever express.

Though our hearts are broken, we find comfort in knowing you are now at peace, watching over us and lovingly taking care of the Alcala family from above. Until we meet again, you will always be remembered, forever loved, and never forgotten. ☐ 🕊

“ My little sister, we shared wonderful times together! No one can take those beautiful memories away! I loved when you would call me at the spare of the moment and ask me, hey do you want to go here or there with me? I loved that personality of hers❤️ because tomorrow is not promised. You loved flying but also driving. I'll never forget when we flew to Vegas and you and Juan decided to rent a van and drive back. We had an adventure😭. Our brother Juan didn't just lose his baby sister but also his driving partner. Sis we miss you already😭 Vacations if any will never be the same again without you. You are now not only our baby sister but also our baby angel. A piece of my heart has left with you. Rest easy Rosa, I love you and will always cherish our moments together! 🙏🙏🙏

Rosa, your double personality never ceased to amaze me. During our vacation to Branson, even though your sister Janie and our grandson Jacobi were together, you were so shy and quiet. I never heard a peep out of you. After being together for a week, you were a completely different person! Joking, laughing, dancing, and competing like I couldn't believe. You touched the hearts of anyone and everyone around you in unforgettable ways. Your gentle heart and caring ways will remain in our hearts forever! Thank you for the memories! Rest easy little sister, and enjoy hanging out in our Lord's precious garden! Loving and missing you forever. Your brother Joe and sister-in-law Norma Alcala
